Ferrocalm is a next-generation probiotic that actually works during IBS flare-ups, not just when things are calm. Unlike most probiotics that lose their effectiveness when a flare-up strikes, Ferrocalm stays active, helping to reduce symptoms when you need it most. Backed by rigorous scientific research and created by gut health experts, it's trusted by people who've had enough of hype and want real, science-backed relief. Ferrocalm is a convenient, easy to take capsule and is gluten and dairy-free – great for sensitive tummies. Ferrocalm is backed by science and built for real life.

RESTOR FLORATM PD

RestorFlora™PD contains probiotics that maintain potency in the presence of antibiotic therapy while simultaneously supporting immune function. Unlike other probiotic strains, RestorFlora™PD contains, proprietary spore-forming microbes that have a resilient coat that can support resistance to gastric acids, digestive enzymes, temperature fluctuations and other harsh conditions. Thus, they can retain their potency and effectiveness throughout the digestive system and arrive ready to work their magic in the gut.

Global Healing from Helios Since 1986

When Helios was founded in 1986 it was with a simple mission; to create a new source of potent, accurate and effective homeopathic remedies to bring profound healing and relief of suffering.

Nearly four decades later, our passion for healing and homeopathy is as strong as ever and we now have a remedy bank of over 3,800 remedies in a wide range of potencies and forms serving customers worldwide, and 80 staff based at our Tunbridge Wells and Covent Garden locations.

Today Helios Homeopathy continues to provide pharmacies with:

- remedies of the highest quality and integrity, made by Homeopaths, using traditional Hahnemannian techniques of hand trituration and potentisation
- expert professional advice and customer service from our team of highly qualified and experienced Homeopaths and Pharmacists
- our retail range of licensed Helios remedies and products produced to GMP standards in our manufacturing department and individual remedies under our pharmacy specials licence
- all remedies and products backed by a fast responsive service, point of sale material and training can be arranged for our retail customers.

Helios Homeopathy Ltd 89-97 Camden Road, Tunbridge Wells,
TN1 2QR, +44 (0)1892 537254
